Nova
Group

From historic preservation, to archaeological surveys, and tribal consultations, to wetland, floodplain, and endangered species consultations, the Nova NEPA team has country-wide reach in direct consulting with our Native American Tribal communities, State Historic Preservation Offices (SHPOs), State environmental permitting offices, and regional U.S. Fish and Wildlife field offices.

Nova's National Environmental Policy Act (NEPA) team brings decades of experience in all aspects of NEPA compliance. Whether your project involves a federal, state, or local environmental review, Nova's team will help you realize your goals in a cost effective and timely manner while providing unparalleled customer service from our knowledgeable professionals across the country. With our professionals located nationwide, Nova's team has the know-how to advise clients on complex regulatory and environmental requirements.
